# Vrindhavan view point

There's no time to be bored in a world as beautiful as this. In every walk with nature, one receives far more than he seeks. This viewpoint of Vrindavan gives you the view of nearby lit up cities, Kovilkadavu and Marayur. Furthermore the windmill towns of Udumalpet, and *"The home to one of the most sacred shrines of the Murugan"* PALANI, wrapped with the mists and mountains in the state of Tamilnadu.

## Open balconies with breathtaking views

Open balconies in all villas with a breathtaking view of the mountains, valleys, and the PATTISERY DAM, commissioning of this dam expected to be in July 2024, this dam going to be a most sought after water project. Whether it is watching blue, rolling waves crash against the sandy shore or hearing birds chirping in a green, luscious forest, there is something so remarkable and beautiful about being immersed in nature. Not just beautiful, though the stars are like the trees in the forest, alive and breathing. And they will watch you.

# The Mist

A misty morning on those cascaded clouds lightened with positive vibes will bear the message of the vast cerulean skies laden with the singing birds as they hold their words till the next day.
